My self sai krishna . all about me you all know that all mentioned in this .in my life i am always try to learn somthing from school to degree .thats the thing that i can think that i can persue a job

EDUCATION

Bonam venkata
chalamayya
engineering collage
odalarevu - 2023

sri chaitanya junior
collage
razole - 2019

Vikas techno school
malikipuram - 2017

UNDERGRADUATE

To complete my education at 2023. engineering is a best degree . i faced so many situations at my degree . as we can learn and and we can persue a job.

HIGH SCHOOL DIPLOMA

As in our collage . we can learn so many things and we can learn practical knowledge in our collage .this may help to next degree as i mentioned that btech. i am passed out with cgpa : 9.40

SCHOOLING

as all u know about the school life . the school is the best thing in our whole life. we can do so many mistakes and we can solve that mistakes and many more. this may help to my next degree called collage . i passed out with cgpa called : 9.20.
